

**EXPOSURE VISIT OF PARTICIPANTS/TRAINEES OF FIRST NATIONAL
TRAINING ON COMMERCIAL OSTRICH FARMING FROM ARID
AGRICULTURE UNIVERSITY, RAWALPINDI**

A Trainee Group of 1st National Training on Commercial Ostrich Farming from Arid Agriculture University Rawalpindi visited Zarai Taraqati Bank Limited (ZTBL) Farm Islamabad, to witness various Farm activities, particularly Ostrich Farming. The group comprised of Faculty Members, Students, Progressive Growers and potential Ostrich Farmers.

Head, Agriculture Technology Department, Mr. Muhammad Ikram Ul Haq alongwith his Team welcomed the delegation and showed them various activities being carried out at the Farm. He also briefed them about the role of ZTBL in the agriculture development of the country and different interventions taken by the Bank to uplift the livelihood of the farming community. The group was also showed Ostrich Farm where they took keen interest in exploring the technical knowhow of this new activity.

The group members greatly appreciated the technologies introduced by the Bank for the development of agriculture sector of the country. They termed the ZTBL as one of the best organizations which has paved the way for technology dissemination and provision of financial services at the grass root level. They further added that this visit provided great opportunity to take advantage of knowledge and technologies introduced by the Bank.
