ISLAMABAD: Pakistan's ace spinner Saeed Ajmal has been promoted as the senior vice president of the Zarai Taraqati Bank Limited (ZTBL), says a press release.

"I express my heart-felt gratitude to Mr Syed Talat Mehmood, president ZTBL, and his management team for this promotion that has reinvigorated my commitment to my organization," Test cricketer Ajmal has been quoted as saying in the press release.

He adds: "Assurances by the president of the bank for taking necessary steps for encouraging and helping other male and female players advance their skills and careers serve for us as a great source of motivation."

Ajmal said he would not let ZTBL and his countrymen down, adding that he would play with "reinforced commitment and dedication to bring more honours to ZTBL as well as Pakistan".
