## **PRESS RELEASE**

### **Centralized Branch Automation System at ZTBL**

**Islamabad, September 30, 2015:** President Zarai Taraqiati Bank Limited (ZTBL) Syed Talat Mahmood inaugurated the Centralized Branch Automation System (CBAS) here on Wednesday. In his address on the occasion, he said that as ZTBL was lagging in IT Department since 1984. Bank was using out-dated software that has become useless now-a-days. During my visits to branches, at large I found IT infrastructure out dated and shocked to see the branches in similar status. Hence, I immediately ordered to introduce computers and other IT equipment in accordance to the advanced needs of the banking sector.

About the development of ZTBL he said that on taking over the charge of President-ship total number of the ZTBL branches were 379 which have become 420 by now. And further more 18 branches will be opened by the end of this year. And very shortly, Branchless Mobile Phone Banking will be introduced for farmers. ATM facility will be provided and branch workload will be minimized by this and it will enhance performance and transparency. The Head of IT Department Mr. Nadeem Chohan said that our team developed the long-term and costly CBAS software in a very span of time. He also said that due to intellectual and perpetual approach of the worthy President ZTBL is moving very fast and become a modernized institution by developing its new line of action in all Banking Operations.

The Zonal Chief, Islamabad Mr. Saleem Safdar assured that we will work hard to the entire satisfaction of the President.
