PRESS RELEASE

Islamabad. Dated: 20.03.2020

**Grant of Leave to ZTBL Employees having Chronic Diseases and Women with Infants
Regarding Preventive Measures for Corona Virus**

In wake of surge in novel corona virus cases across Pakistan, Zarai Taraqiati Bank Limited has also taken various measures to prevent from COVID-19 pandemic.

In this regard, the sensitive patients having chronic diseases more vulnerable to corona virus are being granted leaves across Pakistan. Furthermore, women with infants at home and whose children are in daycare centers have been granted leave on immediate basis.

Apart from this, in order to ensure safety and health of employees at work place, respective controlling officers will reiterate precautionary advisory to create awareness of COVID-19 and will implement in letter and spirit the guidelines issued by the World Health Organization, State Bank of Pakistan and of Federal and respective Provincial Governments.

Most importantly by keeping in view this emerging situation, any employee having symptoms associated with COVID-19 shall promptly intimate to his or her supervisor such as cough, flu, high grade fever, shortness of breath, such employees will not be allowed in office and they should immediately consult with the medical practitioner for further advice.
