

# **NOTIFICATION**

## **Respected Consumers**

Ministry of Energy (Power Division), under the Prime Minister Relief Package for COVID-19 pandemic, has notified deferred payment of electricity bills for private domestic consumers, having consumption up to 300 units, single phase, detail is given below:

- a) Payment of bill can be made in (3) three installments
- b) Total payable amount including arrears and previous installments, if any, will be considered for calculation of installments
- c) Late payment surcharge (LPS) will not be levied, in case of non-payment, to such consumers
- d) NO markup will be charged on the deferred amount
- e) TESCO and HESCO consumers are excluded from this Relief
- f) Consumers can pay total amount during current month if they want
- g) Following message will be displayed on bills "PM RELIEF for COVID-19".
